Stained Glass Courses - Winter 2012

Beginner Stained Glass 5 Weeks - 15 Hours Total

Session 1: Wednesdays, January 11 – February 8 6 – 9 pm
Session 2: Thursdays, January 19 – February 16 12:30 – 3:30 pm
Session 3: Fridays, February 10 – March 9 6 – 9 pm

The Beginner Stained Glass course is designed for people who have little or no experience working with stained glass. Students will learn how to prepare a pattern, transfer that pattern to glass, cut and grind stained glass, apply copper foil, solder and "finish" their piece. Students will be provided with materials, use of tools and instruction to complete a suncatcher and an 8" X 10" hanging stained glass panel. **COST:\$159**

Mini Beginner Stained Glass

Session 4: Saturday, January 14 11am – 4 pm
Session 5: Monday, February 6 11 am – 4 pm
Session 6: Saturday, February 26 11am – 4 pm

This course is offered as a one day introduction to stained glass and is designed for individuals with little or no experience working with glass. Students will be provided with materials, use of tools and instruction to complete a suncatcher. **COST: \$50**

Leaded Stained Glass (Intermediate)

Session 7: Monday, January 16 10 am – 5 pm
Session 8: Saturday, February 18 10am – 5 pm

Introduction to Glass Fusing

Session 9: Thursday, January 12 1 – 4 pm
Session 10: Friday, January 20 6 – 9 pm
Session 11: Wednesday, February 15 6 – 9 pm
Session 12: Saturday, March 10 1 – 4 pm

This course introduces participants to the basics of glass fusing in a kiln. Students will create a 6" by 6" fused glass tile which may be hung as a suncatcher or, for those experienced in stained glass, incorporated into a stained glass panel. **COST: \$45**

Intermediate Glass Fusing

Session 13: Tuesday, January 24 1 - 4 pm
Session 14: Wednesday, February 22 6 - 9 pm
Session 15: Wednesday, March 21 6 - 9 pm

This course is offered as an extension of the "Introduction to Glass Fusing" course; whereby students will be given an opportunity to create a larger project such as fused bowl or plate. Projects typically involve a 2-step firing process. Material costs average \$25 - \$35 for this class. **COST: \$40 + materials**

Panel Lamp (Intermediate)

Session 16: Mondays, February 13 & 27 11 am - 4 pm

This class is aimed at students with basic stained glass experience. A selection of patterns will be made available prior to the start of the class. Students are required to purchase their own glass and other required materials such as copper foil and solder. **COST: \$55 + materials**

Fused Dichroic Glass Pendant

Session 17: Friday, January 13 6 - 8 pm
Session 18: Saturday, February 4 1 - 3 pm
Session 19: Wednesday, March 7 6 - 8 pm

Create beautiful fused glass pendants accented with eye-catching dichroic glass. This course includes glass and materials to create two lovely pendants using dichroic glass. In addition, students may create another two pendants without dichroic. Four silver or gold-plated bails are also included for hanging your pendants.

COST: \$50

Fused Picture in Glass

Session 20: Saturday, January 21 11 am - 4 pm
Session 21: Thursday, February 23 11am - 4 pm

Create a lovely fused glass scene using a variety of fusing glass, frit, pebbles, stringers, etc. and then have it mounted in a picture frame. All materials, as well as the glass frame are included. **COST: \$95**

Fused Glass Windchime

Session 22: Thursday, March 22 11 am - 4 pm

A variety of fusing glass will be available and students will be encouraged to use their creativity to create a unique and one-of-a-kind glass windchime that can be hung indoors or out. Glass cutting experience is helpful; but not entirely necessary. **COST: \$75**

Basic Jewelry

Session 23: Wednesday, February 8 1 - 4 pm

Session 24: Monday, March 5 1 - 4 pm

Participants will gain hands-on experience in the art of jewelry making using a combination of stained glass, beads, wire and glass globs. Students will make 2 pairs of earrings and 2 pendants. Materials and jewelry findings are included with the course fee. **COST: \$40**

"Glass on Glass" Mosaic Window

Session 25: Mondays, January 9 & 23 11 am - 4 pm

Session 26: Saturdays, January 28 & February 11 11 am - 4 pm

Session 27: Tuesdays, March 6 & 20 11am - 4 pm

Students will create a stained glass mosaic on a salvaged window provided by the student. Please note that the total area of exposed glass in the window should NOT EXCEED 3 square feet. A variety of pattern ideas and glass will be made available; as well as other necessary materials and supplies such as stained glass, adhesive and grout. If you wish to "finish" your window frame (i.e., sand, stain or paint), it is advised that this be done prior to the start of the class. **COST: \$95**

Bevelled Glass Snowflake (Intermediate)

Session 28: Monday, January 30 11 am - 4 pm

Create a lovely snowflake using bevelled glass and your choice of stained glass and globs. Basic previous experience with cutting and foiling stained glass is recommended. All materials are included with the course fee. **COST: \$55**

"CUSTOMIZE A CLASS"

If you have an idea for a class, or would like to take a class that is offered in this brochure BUT at a different time, please talk to us about customizing a class for you. A minimum of 4 participants is required. A "Custom Class" is perfect for a night (or day) out with friends or family, as a way to meet new people. We may also be able to incorporate it as part of a special celebration.

"HOST A BIRTHDAY PARTY"

We also host birthday party crafts for ages 8 and up. Favourite crafts are mosaic and glass fusing. Typical cost is \$25 per participant.
